

Activate Camps Safeguarding

Policy Statement

Activate Camps provides sport and activity to children aged between 5 – 16 years old in a variety of settings and venues across the UK. This is delivered primarily in day camps or residential activities but also extends to adhoc delivery in promotion of Activate and as part of Activate events.

Activate acknowledges the duty of care to safeguard and promote the welfare of children and is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice and Ofsted and any other regulatory body requirements.

The policy recognises that the welfare and interests of children are paramount in all circumstances. It aims to ensure that regardless of age, gender, religion or beliefs, ethnicity, disability, sexual orientation or socio-economic background, all children

- Have a positive and enjoyable experience at all Activate activities in a safe and child centred environment
- Are protected from abuse whilst participating in programmed sessions or outside of the activity whilst your child is in our care.

Activate acknowledges that some children, including disabled children and young people or those from ethnic minority communities, can be particularly vulnerable to abuse and we accept the responsibility to take reasonable and appropriate steps to ensure their welfare.

As part of our safeguarding policy Activate will:

- Promote and prioritise the safety and wellbeing of children and young people
- Ensure everyone understands their roles and responsibilities in respect of safeguarding and is provided with appropriate learning opportunities to recognise, identify and respond to signs of abuse, neglect and other safeguarding concerns relating to children and young people
- Ensure appropriate action is taken in the event of incidents/concerns of abuse and support provided to the individual/s who raise or disclose the concern
- Ensure that confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored

- Prevent the employment/deployment of unsuitable individuals
- Ensure robust safeguarding arrangements and procedures are in operation.

The policy and procedures will be widely promoted and are mandatory for everyone involved in Activate. Failure to comply with the policy and procedures will be addressed without delay and may ultimately result in dismissal/exclusion from the organisation.

This policy forms part of Activates' safeguarding procedures which can be found following this statement.

The policy will be reviewed a year after development and then every three years, or in the following circumstances:

- Changes in legislation and/or government guidance
